## ***Published On The Occasion Of Our 6th Anniversary***

*Tuesday, October 28, 2014, marks the sixth anniversary  
of the 'official unveiling' of My Catholic Source.com.  
The site was in development since 2001*

It has been heartwarming for us to receive many kind comments from our visitors over the years. Although only a small percentage of our visitors leave feedback, we are very grateful for those who take a moment to contact us. At this time, we wanted to share some of the gracious feedback we've received. We think the selections below help show the kindness of our visitors and we therefore present the following in honor of our anniversary & as tribute to those kind souls who visit our site. We hope you'll enjoy it.

Notice: In addition to the following kind comments, we've also received numerous questions & suggestions on a variety of topics over the years. We've also received some negative feedback, as well as offensive & anti-Catholic feedback - the Catholic content of our site actually inspired someone to create an entire blog to complain about our 'sorry excuse for a website'. We have omitted these items from the feedback below in order to focus on the more positive feedback we have received. Opinions of authors do not necessarily reflect our views. We make no guarantees regarding any item. We may have left items below as we received them, including errors/misspellings (however in some cases, we have removed carriage returns, changed some capitals, and removed names/identifying information, etc.). Also, items below may be partial / shortened and are not comprehensive. As applicable, items may change without notice. Note that part(s) of the same feedback message may be listed separately below. Please note that the comments below are not in any particular order. Use is subject to our terms of use. ## ***Did You Know?***

*Since its 'official unveiling', MyCatholicSource.com has received more than three million visits<sup>+</sup> - including dozens of visits from the Holy See, visits from a pontifical institute, an office of the Roman curia & and the Vatican Library, as well as visits from a variety of dioceses & archdioceses, Catholic universities, Catholic churches, religious orders, Catholic hospitals, pontifical colleges, congregations, ivy league colleges, libraries, agencies, organizations, seminaries, bishops' conferences, and various government offices. We've received visitors from all 50 states as well as from most all of the countries in the world. Over the years, we've built up traffic, added services & features, changed servers at least three times, redesigned virtually our entire site, suffered major technical problems with our equipment, switched systems, almost had to shut down, got mentioned in newspapers, developed apps, assisted Catholic school teachers, answered hundreds of questions via chat, and secured our servers against frequent attacks. We've been linked to from various blogs & sites and have been the subject of forum & blog posts. The site has received over 60 million hits<sup>+</sup>, enjoyed well over 15 million page views<sup>+</sup>, and has been advertised millions & millions of times on Google and other search engines (or their search partners). We've spent countless hours creating and expanding the site (the site was in development for seven years before its 'official unveiling' in 2008) and have learned so much in the process. We hope our labors have been helpful to our visitors and have in some small way contributed to honoring Our Blessed Lord. We send our sincere thanks to our benefactors & to all our visitors, for whom we pray each day.*

Wow - your site is fantastic, so much info.

As a CCD teacher I am so happy to have found this website it has so many resources for me to use in my class  
thank you and thank you for your strong faith and it is very rare now to believe the truth.

this is an awesome website

I love your Q and As with non-catholics. Can you make a "share" button so I can post the article on my FB page?

LOVE THIS SITE FOR US CATHOLICS

Hello! This is my first visit and I am very excited to have discovered your site. Thank you creating this space. :)

Good site with a lot of valuable contents.

Thank you for such a Traditional Catholic website! From what I can see, it's packed with documented information!  
Excellent!

there's just so much to see, I can't wait to go through the whole site. I'll be back many times. Thank for your service in my faith

Growing in Faith is a blessing that Our Lord gives to all who seek. Thank you for providing spiritual food for the journey. God bless...!

So far I am enjoying this site. still learning about it

Thank you for your wonderful website

I love the variety of the wealth of articles on your website, from news to an encyclopedia of Catholic prayers.

WoW, what a site you could read and read and read on this site. I just hope I finish reading this site before the second coming of Christ. There are so many good things to read and learn about, that if this site (My Catholic Source) was the Fifth gospel the book would be too big. Anyways it is my morning paper before I start my day. Praise be to Jesus for what you are doing.

Thank you very, very much for this overflowing, priceless fountain of Grace.

I like your site but it is a little overwhelming with all of the information. I am not a traditional Catholic as people seem to define that, but I am a "conservative" Catholic and completely obedient and loyal to Rome. It seems like this is more like a Trad site but I enjoy it.

Glad to have found this site.

Love your website. In these turbulent times, we need to get back to our traditional Catholic roots. God Bless you

Encouraging to know there is a Catholic remnant in these troubled times! God bless you for all you do.

this is a very good web site.

I am very interested in your teaching resources, I was baptized through R.C.I.A. but still have very much to learn, after attending Masses in other parishes. I have tons to learn with first the prayers of the Mass and the Rosary all variations. I am actually excited this website exists. Thank-you

I hope to enrich my spiritual life by visiting your site regularly. God bless you.

Thank you for the opportunity to be a part of this great movement.

WHAT A WONDERFUL SITE

I can't comment on your perfection of this site!

Suggestions? I believe you have everything covered.

I'm a member of <parish name>. I converted about 10yrs ago. I want to commit to being a better catholic. I haven't been like I should. This site will help a lot and also going to mass on a regular basis.

Im so very glad I have found this website. I am looking forward to visiting often!!!

Wow I am impressed this is an awesome site

I am a new 64 year old new Catholic finding it hard to find information on the older devotions of the Church. Looks like your site is going to be a real blessing to me. I really love this web site and the many articles have really done a great deal to me in my spiritual needs as things go along. I did not realize how little I knew about my faith in the catholic church. thank you so much! God bless you all.

This site is very useful for catholic materil....

I am a cradle catholic born 1953. I attended the true Latin Mass most of childhood before V2 came in. I could not stand the "new mass" from the get go. I love your site and come to it daily to immerse myself in traditional prayers and teachings. I have no where else to go.

I thank God that I found this site when I was searching for evening prayers of Catholics because it seems I dont know what to say in my prayers. And thanks to all of you for this site. May God bless us all.

This site is a real treasure for people looking forward growing in our Catholic Faith

BEAUTIFUL SITE

You have so much information that has really helped me in learning and being more open to the TRUTHS of our Catholic Faith. Thank You for this very wonderful website....I know I need to pass your website on to my e-mail, contacts, because when you find something so enriching to your Catholic Faith....you just got to share it! I have just reviewed the new look and I have to say that I am very impressed with the new look. It is much easier to read and I like the fullness of the screen being used. Keep up the good work.

I look forward to seeing more of your new site.

I find the site so much easier to follow. It really answers most of my questions.

I simply love the new resource of the crosswords and games/etc. I know they were there before, but I had troubles finding the answers sometimes to them. It was VERY easy this time to find them. I teach in a Catholic school and am always wanting something "new" to use! Thanks. Keep up the goodwork.

This is great news. As a Faith Formation Teacher I use and a new Catholic Fun & Activities is most welcome, especially the coloring projects.

Various activities for children would be a great help in Catechesis and a welcome addition to your already helpful and inspirational web site. May God Bless you in your work and endeavors. In the Peace of Christ <snip>

stumbled on your site last week and liked it. By accident I found something like "Latest News Stories" or Headlines and decided I'd make a pit stop every day to make sure I don't miss anything.

I want to say from the bottom of my heart i appreciate every thing you guys are doing for us by bringing to us news and happings in the church May the Good Lord continue to Bless you and Protect you Amen.

I will keep you in my prayers that you are able to continue this service! I find many times that your page is where I find what is going on in the Church!

This international chain of prayers is a real blessing. Thank you for that !

It is for me a great pleasure to pray WITH friends in the whole world. Sometime I feel lonely but Christ is the King of the Universe so I have a family... Thank you and see you next year...

Wonderful event! I enjoy participating with my wife every year!

Thank you so much for giving me the opportunity to link up with so many persons all over the globe to offer our dear Mother Mary tribute and honour all day long from sunrise to sun down. Maria Regina Sanctissimi Rosari ora pro nobis nunc et semper.

It was an up lifting experience for me

it was good

I have said the rosary alone but now i hope it will be better saying the rosary with other people.

I love to pray the Holy Rosary. I prayed the entire week last year and it was such a true blessing for my soul. Thank-you MCS for another year of Annual Holy Rosary week.

I was happy to participate.

Thank you so very much. Cannot thank you enough.

Your daily reminders helped keep me on track, thank you for that.

I really have no comments or input. I can only say that this week has been a spiritual experience for me in addition to Christ blessings I have everyday.

I am looking forward to Rosary Week. I do not Pray the Rosary enough. I'm hoping this will help me to once again Pray the Rosary on a daily basis.

Thank you!!!!!!!!!! God bless you all!

Thanks for informing us about this devotion

I believe in the power of prayer--and of the rosary in particular. I will spread this news to everyone I encounter.

I do the rosary in church every monday and will ask some of my friends to say with me for one week in october.

Excellent plan that accommodate everyone's schedule.

Thank you very much for inviting me. With God's help, I will continue the "Rosary Week" daily.

Thank you very much !

Looking forward to participate in this ministry.

Thank you for this blessed opportunity.

I look forward to participating this year. I am going to tell my whole family about this and I know they will also participate. Thank you!

It is more important than ever that we pray with our Mother the Rosary and that we help with her intentions and our own. May God's plans for us be realized and that we spread His glory.

Thank you for the opportunity to unite in prayer to Our Lady.

While saying the Rosary, I kept in my hand, both the cross, and my scapular. To my mind I was paying tribute to both Our Lord and Holy Mother of God. I say the Rosary every morning in this manner. It certainly helps me to focus on my prayers. Possible it may help others too. God Bless you for the work you are doing.

Thank you for reminding me. Please continue to do so.

I am happy to join you all and I thank you for giving me this special opportunity. Thank you very much. May the Good Lord and our Mother Mary bless you all in this great endeavour.

Thank you for this opportunity.

I enjoy saying the rosary, and it's good to have more special intentions and intercessions to pray for.

Thank you for this invitation honoring our Blessed Mother!

This is a great idea!

God bless you and your mission to spread the Gospel of Jesus Christ.

Thank you for this invitation, I love to pray the rosary, and wish we could pray it everyday of the year, not only for 1 week. All together as brothers and sisters in Christ. Heaven will be full of joy, to hear so many prayers ascending all at once. May God Bless all of you, who sign and pray, and specially the people who kindly invites us to join this group.

God bless you for organizing this event honoring our Blessed Mother

Rosary week takes place over my birthday so it will be extra special for me.

A worthy spiritual exercise. Thanks for letting me know. My family will join the Rosary Week prayers.

I would love to say the rosary with you as I try to say it often

THANK YOU !

Thank you for organizing Rosary Week in honor of Christ the King, along with the historical info about the Rosary and its favor with Heaven, saying it in Latin, and how to pray it (and with the veil for women.)

This is a fantastic idea; and I would like to find a way to pass it on.

THIS IS THE THIRD YEAR FOR ME IT'S VERY UP LIFTING

Makes me feel good saying the rosary every day for a week. and I devote time to our blessed lady.

I am very please to paticipate this movement prayer to Mary to Jesus

Thank you for this opportunity. I aalways appreciate any notices of the rosary events or novenas and usually say the rosary daily.

I am very happy to participate in this Rosary week and happy to pray for the need of others.

## Section 5 - Topic: Apps (Incl. Reviews)

Catholic Bible References: Love this app! A must for any Catholic with an iPhone. Easy to navigate, colourful, and very informative. For the price I have to say it's one of the best resources for referencing Catholic verses in Holy Scripture. Even with the small glitch (when used with IOS7) it's still well worth it.

Catholic Bible References: I love app talking to jw s.

Catholic Bible References: Hi what a fantastic app very helpfully easy to follow do you have any more apps

Catholic Bible References: Your app is quite thoughtful and innovative.

Catholic Bible References: This is a great app!! Thank you:))

*Selections From Online Reviews: Catholic Bible References*

Wonderful!! / Love this app! Helpful in apologetics! And helps me to deepen my faith! Thank God for this app!

Great app / Great app for debating the bible memorising Protestants

Great app / Me as a catholic always had to defend My faith with non Catholics and this app is very useful Good app I recommend this to everybody.

---

Speedy Dial!: Nice app.

Speedy Dial! Thank you! Thank you! Thank you! I used a text button only speed dialer for over 4 years and then just this week it was updated and lost most its' text functionality in favour of pictures. I went through over 15 supposed speed dialers (and downloaded, because they looked right) before I found Speedy Dial! Congratulations on realising people can both still read and may like to identify their dialup with a type (Church Office, Coffee Shop) Add the colours for further filtering and it's a gem. Please don't change it without notice though if it means deleting all the entered data - this is what happened with my last [dialer] and it was disastrous. Oh - one quick thought; it's be great if buttons could be resorted by drag & drop or similar. All the best, regards, <snip>

iStations: It is a great App for Lent season!

iStations: I did download iStations on my Kindle Fire and it works great and is beautiful. You can let anyone who wonders about it. I'm so glad I tried it.

Stations Of the Cross / I really like this app. Very good for meditation and reflection. The pictures are beautiful and inspiring. I go to my Parish also during Lent for Stations and this helps me on days when i am in the privacy of my home Thank you.

Complete Stations devotion and more! / For someone who cannot make the Stations at church or on Tv, this is a beautiful way to pray most specially if you are stuck in bed. I agree this is also fantastic for anyone who wants to pray during the day in between a busy or hectic schedule. I was amazed to see the additional prayers in both English and Latin. Bravo!!! This isn't just for a neophyte but for anyone who wants to stay connected to the Lord. A wonderful tool to use during Lent and throughout this year of Faith as laid out by our Holy Father Pope Benedict XVI. Viva Jesus Cristus! God Bless you all, <snip>

A perfect daily Lenten prayer! / Beautifully done... Especially like the audio on when moving through the Ststions. I've never been able to contemplate on each Station until now! Thank you!

A MUST APP / This is a flawless app at an unbelievable bargain. The prayers for each station are beyond eloquent. I recommend it to believers and nonbelievers, alike. Those who believe will gain more spiritual depth

very good. / I got this app to help me understand the stations better. my daughter also thinks it is a good thing. I really helps me out with the story of his journey

Great for private devotions / This app gives you two different stations to choose from and a good voice over option. Just plug in some ear phones and shut out the boob tube noise and enrich your spiritual life. This app worked flawless.

Want to pray the Stations of the Cross, while in the car, this is the one. / I like praying while traveling, so this app will let me listen and follow Christ's last few hours. In the car or at home, this is a good deal.

iStations / Awesome. Works perfectly on my Kindle. Very well illustrated and a joy to use...

Stations of the Cross / It is very nice to have this app for my kindle, now I can do the stations anytime that I have my kindle and that is always. It is always nice to have a visual when praying, helps keep me focused.

Great Personal App! / The Stations of the Cross are so much more meaningful with this app and its narration. One can read it and receive much benefit, but with this app, where you hear it read to you, is so much more moving, similar to being in church.

Wonderful / I put this on my phone, iPod and liked it so much decided to see if it would work on my Kindle Fire. It is beautiful and great to have the audio with it, the pictures are wonderful. I'm sure all catholics will love this and non-catholics also. I'm using this app and it isn't even Easter.

Stations for Android / I like this product. The pictures are colorful and beautiful and the prayers are very meaningful. I have it both on my kindle and phone.

GREAT INSPIRATION / A great little app and I recommend it for use by all Christians and it might even help some of you non-believers too!

STATIONS OF THE CROSS / BEAUTIFUL ESPECIALLY SINCE YOU CAN FOLLOW IT IN AUDIO AS WELL. I LOVE IT VERY MUCH ESPECIALLY DURING THE LENTEN SEASON.

This Stations of the Cross is wonderful, I say it every Friday during Lent and it suits me perfectly. Highly recommended.

Very well done, several ways to navigate the app and has options for prayers and meditations.

Very handy, uplifting specially at lent, words are very clear also the prayers thank you for your good effort.

Beautifully sublime / As it is now Lent I am looking for the Stations with an audio option. This is simply beautiful with the prayers and artwork for prologue stations and post stations prayer. It is reverently structured with prayers in Latin that being a Catholic boomer, remember so well. There are a few other versions of the stations in the app store, some I have installed, but this is the best in my opinion. There is an option of audio which is very good to have if you want to hear the stations while driving or just want to hear a voice. Simply wonderful.

Thank you for your kindness.

Thank you so very much. That was so very helpful. God bless you for taking the time to enlighten me.

I write with sincere thanks for your speedy and accurate answer. Both my wife and I were raised as staunch Tridentine Catholics. We have been watching the destruction of the faith we have been raised with in preference to pleasing the people. The Catholic Church was never broken, and as such, nobody should have tried to fix it.

Thank you so very much. For the second day in a row you have been able to answer questions that I had for quite some time. God Bless you for all of your good work.

Once again Thank you for all your help it has made me feel a little better just to talke to someone about the matter

Thank you for a speedy reply to my question and your advice

Thank you so much for this wonderful reply. It is good to know that there are fellow Catholics out there who care about one lost insignificant soul like me. I now feel much better. A feeling of love and relief have come over me. I can now move mountains.
